

A Graduate's Story

Christian Garcia, SMS 2009

“San Miguel opened my heart and crawled in. It made my character and who I am, allowed me to be guided under its wing. Now, it is finally time to let go, so I can fly alone. But, my heart will forever be a star ... a San Miguel star.”

- Christian Garcia, SMS '09

Christian attended La Salle Academy and then graduated from St. John's University with a Dual Master's Degree and Honors of Excellence. He currently works for the Department of Justice.

A Graduate's Story

Jamal Burk, SMS 2002

“Brotherhood is an essential aspect of being a Miguel Man. It wasn't until a few years after I graduated from San Miguel that I realized the power of brotherhood and the fact that it extended beyond my class. Our brotherhood is extended to the

hundreds of boys who all grew up at San Miguel and learned the value of being a good person and treating people the right way over the last 27 years.” - Jamal Burk, SMS '02

Jamal graduated from Portsmouth Abbey and Dickinson College. Currently, he is a Litigation Associate at Hinshaw & Culbertson LLP. He is also a San Miguel School Board Member.

San Miguel School Founders Legacy Society

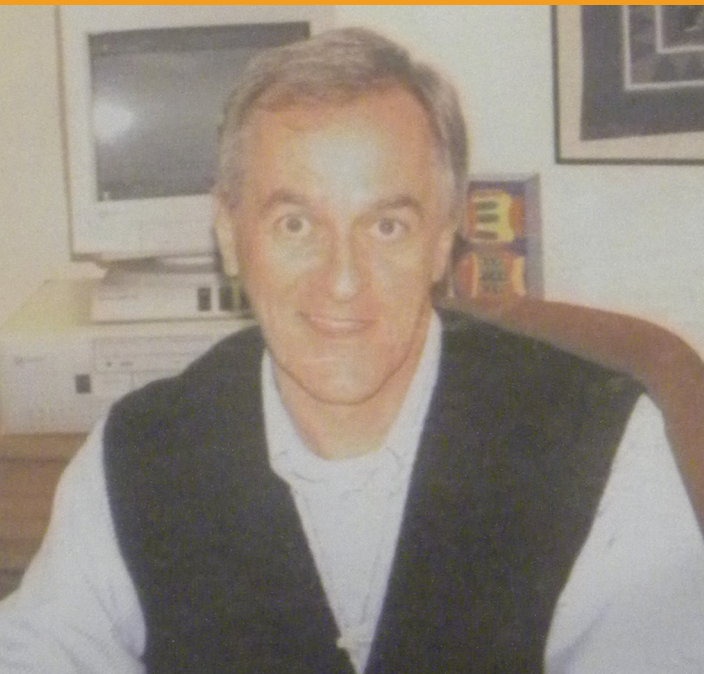

The Founder's Story

Brother Lawrence Goyette, FSC

Brother Lawrence Goyette, FSC, founded the San Miguel School in 1993 as a Lasallian middle school for boys of limited economic means and scarce educational opportunities. The Lasallian tradition emphasizes the fact that all people, especially the young, have an inherent dignity which comes from their being created in the image of God. For Lasallian educators, education is a means of developing this dignity for the well-being of each student as well as for the well-being of our society. This is the heart of the Lasallian educational tradition and the basis on which Brother Lawrence started the San Miguel School which now boasts over 350 graduates.

"Are you ready to give your very life, so dear to you are the young people entrusted to you?"
- St. John Baptist de La Salle MTR 6.2 (MED 198.2)
